

Musical Chairs

You'll need:

- A large, open area
- Chairs
- A CD or tape player
- CDs or cassette tapes

How to play:

- Begin by placing the chairs in a circle. Use one less chair than the number of players.
- The players form a circle around the outside of the chairs.
- When the music begins, the group begins moving in one direction circling the chairs.
- When the music is stopped, the participants scramble for a seat.
- The one still standing is out of the game.
- One chair is then removed and play begins again.
- The process repeats as people are eliminated and chairs are removed. The person sitting on the last remaining chair is the winner.
